30th March 2017

Dear Parents,

As you will be aware from the whole school letter, the toilets and cloakroom area at the year R end of the building are to be completely refurbished beginning in the Easter holidays. The funding we have received for this work is significant and was dependent on us having the work completed immediately rather than waiting for the longer summer holiday.

As I am sure you will have realised, this work will mean that Denmark, Ghana and Sweden classes will not have a cloakroom area at the beginning of the summer term. We will therefore have to store bags, PE bags and coats in the classrooms. To enable this to happen, without taking up too much valuable learning space, we have purchased some large storage boxes. However, we will be limited in space so please can I put out a plea that PE kits are in a bag that is a soft, drawstring type rather than a large rucksack. Similarly, can I ask that only 'essential' bags are brought into school.

As all coats and bags for a class will be stored together rather than on individual pegs, it is essential that coats and bags are clearly named to help class teachers ensure that children are easily re-united with their belongings.

Thank you in advance for your support with this. If you have any questions, please don't hesitate to speak to your child's class teacher or myself.

Yours sincerely

Mrs Angela Nicholls
Headteacher
