

Key dates

5th March: School disco
24th March: Easter church service
27th March: INSET day

Focus areas of learning:

Understanding of the world: we will be doing observations of the different bugs that you can find in the woodlands and recording our findings.

Literacy: we will be looking at information (non-fiction) books and writing facts that we have learned to create our own book.

Expressive arts and design: we will be learning about musical sounds and exploring how they can be high and low.

Animal homes and habitats

Year R

Spring 2 2026

Suggested reading for home:

'Rumble in the Jungle' by
Giles Andreae
'Who's hiding at the seaside?'
by Katharine McEwen
'Tree' by Brita Teckentrup
'The big book of....' series by
Yuval Zoomer

In this theme, we will be learning about and comparing different natural habitats, as well as exploring and investigating our woodlands.

What can you do at home?

- Take the time to discuss different features of the natural world when out on walks or bike rides.
- Read different information (non-fiction) texts that you have at home on topics that your child is interested in.
- Go on bug hunts and see what bugs you can find in your garden or local park.
- Create your own natural art using resources that you find outside.
