Dear Parents,

Year 5/6 DT Electric Car Project

As part of our theme 'Taking Care of God's Beautiful World', we are making model wooden cars that are powered by electric motors.

When the cars are complete, the children will be able to take them home. If they wish to take home the circuit that powers their model, we are asking for a contribution of £2.44 to cover the need to re-purchase the electrical components for future projects.

Please can you make the contribution via ScoPay. If you do not wish to pay for this, your child will still be able to bring home the actual car, but the components will be removed so they can be used again.

If you have any queries about this, please do not hesitate to speak to your child's class teacher.

Yours sincerely,

Mrs May

Mrs Culpin

Miss Peters

Yr 5/6 Team
