

Key Subjects for the Theme

In Science, we will be learning about food chains; our digestive system; and types of teeth.

In French, we will be learning our numbers, colours and how to introduce ourselves.

In Art, we will be studying portraits by Lucian Freud using his work to inspire our own.

In DT we will make a photo frame for our self-portrait.

In History we will explore the significance of Basing House and the impact on it in the first English Civil War.

In English we will be creating our own Top Trumps card and writing our own ending to the story.

In class we are reading:

The Boy who Swam with Piranhas

Other books by David Almond:

My Dad's a Birdman & The Boy who Climbed into the Moon

Who am I? Where am I?

Year 3/4 Autumn 2026

In this theme, our key driver is science. We will consider how our body digests food as well as what makes me me.

Other Subjects:

Computing Connecting Computers
PE Yoga and Land based water safety
PSHE Get Heartsmart
RE Creation

PE

Children should bring PE kit into school at the beginning of each week and keep their kit in school all week. We recommend the children wear jogging bottoms and a St John's hoody as the weather becomes colder. Please remember that earrings must be removed for safety.

PE days are:

Canada: Wednesday & Friday **Tuvalu:** Monday & Thursday

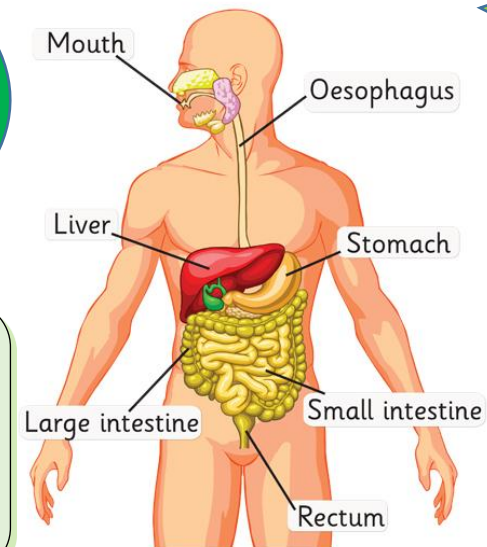

Poland: Monday & Thursday

At Home

Please keep reading at least four times a week, practising times tables using TTRockstars and completing homework.

This term, homework will be set on a Friday on Google Classroom – please check you can still login!

The digestive system

Key Words

These words are for the children to know and understand in context. **If** the children can spell them it is a bonus but **not an expectation.**
